*"Take me home, to Camp Shalom"*

## Flagpole

### Star-Spangled Banner

O say can you see, by the dawn's early light,  
 What so proudly we hail'd at the twilight's last gleaming,  
 Whose broad stripes and bright stars through the perilous fight  
 O'er the ramparts we watch'd were so gallantly streaming?  
 And the rocket's red glare, the bombs bursting in air,  
 Gave proof through the night that our flag was still there,  
 O say does that star-spangled banner yet wave  
 O'er the land of the free and the home of the brave?

### Modeh Ani (*Morning Prayer*)

Modeh(a) ani l'fanecha (Moe—deh(a)) (ah-knee) (l-eh—fah—neh—Ch-a)

**Country Roads** (*John Denver*)

*\*JCamps Edition – Max Harberg*

Almost heaven, Austin Texas,  
Breakfast tacos, and Colorado river.  
Life is old there, older than the trees,  
Younger than the mountains, blowin' like a breeze.

Country roads, take me home  
To the place where I belong  
Austin Texas, Shalom Austin  
Take me home, to Camp Shalom!

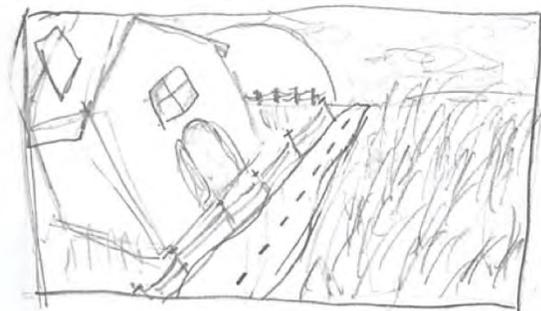

All my memories gather round her,  
Texas Longhorns claim the red river.  
Dark and dusty, painted on the sky,  
A loud echo of music, teardrop in my eye.

Country roads...

I hear her voice in the morning hour, she calls me,  
The radio reminds me of my home far away.  
And driving down the road I get a feeling that  
I should have been home  
yesterday, yesterday...

Country roads (country roads), take me home (take me home)  
To the place where I belong  
Austin Texas, Shalom Austin  
Take me home, to Camp Shalom! (x2)

**Summertime Chillin' (JCamps Original)**

*\*Originally by Ian Davis and Tony Stern, Revamped by Max Harberg*

I wake up in the morning 'bout \_\_\_:45,  
 Grab my lunch and pack my bag, I'm ready to arrive!  
 Come on to the Flagpole to see my smiling friends,  
 Ready to start the day again, I hope it never ends!

Summertime chillin' at the JCC,  
 Come on down to Hart Lane, where we are family!  
 Summertime chillin' at the JCC,  
 If you aren't a fun lover, you can't spoil it for me!

I was asking Jessica just the other day,  
 "Hey! When is *Maccabiah*?" but no, she wouldn't say!  
 Teams of Blue and White competing side by side,  
 Showing lots of Ruach and shouting out their pride!

(meh—K-ah—bee—ah)

Summertime chillin'.... (x2)

It's Summertime  
 Once a year we come here together  
 New friends and old  
 Making memories that last forever!

Summertime chillin'.... (x2)

Yeah, yeah, yeah, yeah, yeah... (x4)

We all got a life to live. We all got a gift to give.

Just open your heart and let it out.

We all got a peace to bring. We all got a song to sing.

Just open your heart and let it out... yaaaaaah!!

When I reach out to you, and you to me,

We become B'tzelem Elohim!

When we share our hopes and our dreams,

Each one of us, B'tzelem Elohim!

We all got a tale to tell. We all want to speak it well.

Just open up your heart and let it out

We all got a mountain to climb. We all got a truth to find.

Just open up your heart and let it out... yaaaaaah!!

When I....

When we love the difference, in one another

Together we can make the world, a better place...

Shalom, Shalom...

When we listen, to each other. When we try, to understand

We respect the thoughts of everyone we meet

Only then can we expect true peace throughout our land

Shalom, Shalom...

I have climbed the highest mountains

I have run through the fields

Only to be with you (x2)

I have run, I have crawled

I have scaled these city walls

These city walls

Only to be with you (x2)

But I still haven't found what I'm looking for...

**Sweet Mother/Rock You** (*JCamps Mashup – Max Harberg*)

\*Song for Divine Mother of the Universe – Ben Lee, We Will Rock You – Queen

Sweet Mother I'm coming home.  
Now I know I'm not alone.  
Cause I've been far,  
but now I'm close.  
Sweet Mother I'm coming home

Tell me mother can you hear me sing  
Your love is everything  
Heart and Soul, Breath and skin  
Your love is everything

Oh, mother please hold me tight  
Cause' mother I need some help tonight  
And what went wrong,  
Will soon be right,  
Oh, mother please hold me tight

Tell me mother...

Oh, Mother this world is strange  
Love me mother and make me brave  
In my dreams,  
and on this stage  
Oh, Mother this world is strange

Tell me mother...

Buddy, you're a boy, make a big noise  
 Playing in the street, gonna be a big man someday  
 You got mud on your face, you big disgrace  
 Kicking your can all over the place, singin'

We will, we will rock you...

Buddy, you're a young man, hard man  
 Shouting in the street, gonna take on the world someday  
 You got blood on your face, you big disgrace  
 Waving your banner all over the place

We will, we will rock you...

Buddy, you're an old man, poor man  
 Pleading with your eyes, gonna get you some peace someday  
 You got mud on your face, big disgrace  
 Somebody better put you back into your place, do it!

We will, we will rock you...

Tell me mother...

## **Best Day of My Life** *(American Authors)*

I had a dream so big and loud  
I jumped so high I touched the clouds  
Wo-o-o-o-o-oh (*wo-o-o-o-o-oh*)

I stretched my hands out to the sky  
We danced with monsters through the night  
Wo-o-o-o-o-oh (*wo-o-o-o-o-oh*)

I'm never gonna look back  
(*nooo!*)  
Woah, never gonna give it up  
(*noo!*)  
Please don't wake me now

Woo-oo-oo-oo-oo-oo-oh  
This is gonna be the best day of my life  
My li-i-i-i-i-ife  
This is gonna be the best day of my life  
My li-i-i-i-i-ife

I howled at the moon with friends  
And then the sun came crashing in  
Wo-o-o-o-o-oh (*wo-o-o-o-o-oh*)

But all the possibilities  
No limits just epiphanies  
Wo-o-o-o-o-oh (*wo-o-o-o-o-oh*)

I'm never...

## Can't Stop the Feeling *(Justin Timberlake)*

I got this feelin' inside my bones  
 It goes electric, wavy when I turn it on  
 All through my city, all through my home  
 We're flyin' up, no ceilin', when we in our zone

I got that sunshine in my pocket  
 Got that good soul in my feet  
 I feel that hot blood in my body when it drops (ooh)  
 I can't take my eyes up off it, movin' so phenomenally  
 Room on lock, the way we rock it, so don't stop

And under the lights when everything goes  
 Nowhere to hide when I'm gettin' you close  
 When we move, well, you already know  
 So just imagine, just imagine, just imagine

Nothin' I can see but you when you dance, dance, dance  
 Feel a good, good creepin' up on you  
 So just dance, dance, dance, come on  
 All those things I shouldn't do  
 But you dance, dance, dance  
 And ain't nobody leavin' soon, so keep dancin'  
 I can't stop the feelin'       *(So just dance, dance, dance)*  
 I can't stop the feelin'       *(So just dance, dance, dance, come on)*

Ooh, it's something magical  
 It's in the air, it's in my blood, it's rushin' on (rushin' on)  
 I don't need no reason, don't need control (need control)  
 I fly so high, no ceiling, when I'm in my zone

And under the lights....

(CLAP...) I can't stop the, I can't stop the... (*repeat*) I can't stop the FEELIN'...

Nothin' I can see but you....

**Firework Medley** (*JCamps Mashup – Max Harberg*)

\* Shut up and Dance with me, Firework – Katy Perry

Oh don't you dare look back  
Just keep your eyes on me  
I said you're holding back  
She said shut up and dance with me

This woman is my destiny  
She said oh oh oh  
Shut up and dance with me

Do you ever feel like a plastic bag  
Drifting though the wind  
Wanting to start again  
Do you ever feel, feel so paper thin  
Like a house of cards  
One blow from caving in

Do you ever feel already buried deep  
Six feet under scream  
But no one seems to hear a thing  
Do you know that there's still a chance for you  
'Cause there's a spark in you

She took my arm  
I don't know how it happened  
We took the floor and she said....

Baby you're a firework  
Come on show 'em what your worth  
Make 'em go "Oh, oh, oh!"  
As you shoot across the sky-y-y

Baby you're a firework  
Come on let your colors burst  
Make 'em go "Oh, oh, oh!"  
You're gonna leave 'em fallin' down down down

We were victims of the night  
The chemical, physical, kryptonite  
Helpless to the bass and the fading light  
Oh we were bound to get together  
Bound to get together

You just gotta ignite the light  
And let it shine  
Just own the night  
Like the Fourth of July...

Oh don't you dare look back  
Just keep your eyes on me  
I said you're holding back  
She said shut up and dance with me

This woman is my destiny  
She said oh oh oh  
Shut up and dance with me

Boom, boom, boom  
Even brighter than the moon, moon, moon  
It's always been inside of you, you, you  
And now it's time to let it through

She took my arm  
I don't know how it happened  
We took the floor and she said....

Baby you're a firework...

**I'll Be There For You** (*The Rembrandts, JCamps Edition – Max Harberg*)

I'll be there for you           *(When the rain starts to pour)*

I'll be there for you           *(Like I've been there before)*

I'll be there for you           *('Cause you're there for me too)*

So no one told you life was gonna be this way

(clap, clap, clap, cap, clap)

You left your lunch at home, and not having a good day

It's like you're always stuck in second gear

When it hasn't been your day, your week, your month, or even your year, but.....

I'll be there for you...

You're still in bed at ten, but camp began at eight

You burned your breakfast so far things aren't going great

Your mother warned you there'd be days like these

But they didn't tell you when the world has brought you down to your knees that.....

I'll be there for you...

## I Want it That Way (*Backstreet Boys*)

You are my fire, the one desire,  
Believe when I say...  
I want it that way!

But we are two worlds apart,  
Can't reach to your heart,  
When you say...  
That I want it that way

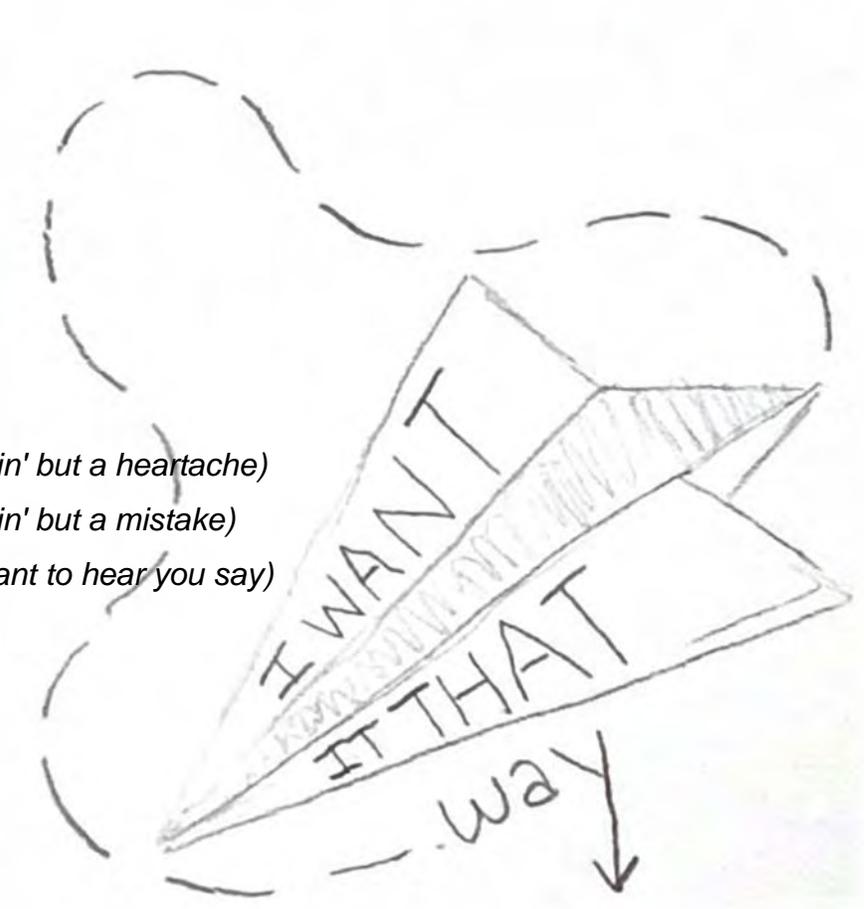

Tell me why            (*Ain't nothin' but a heartache*)  
Tell me why            (*Ain't nothin' but a mistake*)  
Tell me why            (*I never want to hear you say*)  
I want it that way!

Am I your fire?  
Your one desire  
Yes I know it's too late  
But I want it that way...

Tell me why...

Now I can see that we're falling apart,  
From that way that it used to be (yeah!)  
No matter the distance, I want you to know  
That deep down inside of me...

Tell me why...

**Lean on me** (*Bill Withers*)

Lean on me, when you're not strong,  
and I'll be your friend,  
I'll help you carry on.

For (FIVE), it won't be long (SHORT),  
til I'm gonna need (ELBOW),  
somebody to lean on

Sometimes in our lives, we all have pain,  
we all have sorrow,  
But if we are wise, we know that there's  
always tomorrow.

Lean on me...

Please, swallow your pride if I have things  
you need to borrow  
For, no one can fill, those of your needs,  
that you won't let show

Lean on me...

You just call on me brother when you need a hand,  
we all need somebody to leeeeean on!  
I just might have a problem that you understand,  
we all need somebody to leeeeean on!

Lean on me...

**Best Friends (should be together)** ([BettePinkerton.com](http://BettePinkerton.com))

Best friends should be together,  
That's how it ought to be,  
So let's pretend I'm apart of you  
And you are a part of me.

If I were a little shoe  
I could be your heel  
If I were a little pig  
I could be your squeal

If I were a little peach  
I could be the fuzz  
If I were a bumble bee  
I could be your buzz

Best friends...

If I were an elephant  
I could be your trunk  
If I were a chocolate cake  
I could be a hunk

If I were a picture  
I could be your frame  
But if I were nothing  
I'd like you just the same

**One Day** (*Matisyahu*)

Sometimes I lay under the moon  
And thank God I'm breathing  
Then I pray don't take me soon  
'Cause I am here for a reason

Sometimes in my tears I drown  
But I never let it get me down  
So when negativity surrounds  
I know some day it'll all turn around because...

All my life I've been waiting for  
I've been praying for  
For the people to say  
That we don't wanna fight no more  
There will be no more wars  
And our children will play  
One day [6x]

Sometimes in my tears...

**Wake Me Up in Texas** (*JCamps Mashup – Max Harberg*)

*\*Wake Me Up – Avicii, If You're Gonna Play in Texas – Alabama*

If you're gonna play in Texas,  
You gotta have a fiddle in the band (clap, clap)  
That lead guitar is hot,  
Just like a Texas man (yeeehaaa)

So sing a song, real loud and tall  
then lets all do a dance (clap, clap)  
If you're gonna play in Texas,  
You gotta have a fiddle in the band

I remember Shalom Austin  
We were puttin' on a show  
When a camper in the back stood up and yelled, "Cotton-Eyed Joe"!

We love what you're doin  
Boys don't get us wrong,  
There's just somethin' missin' in our song

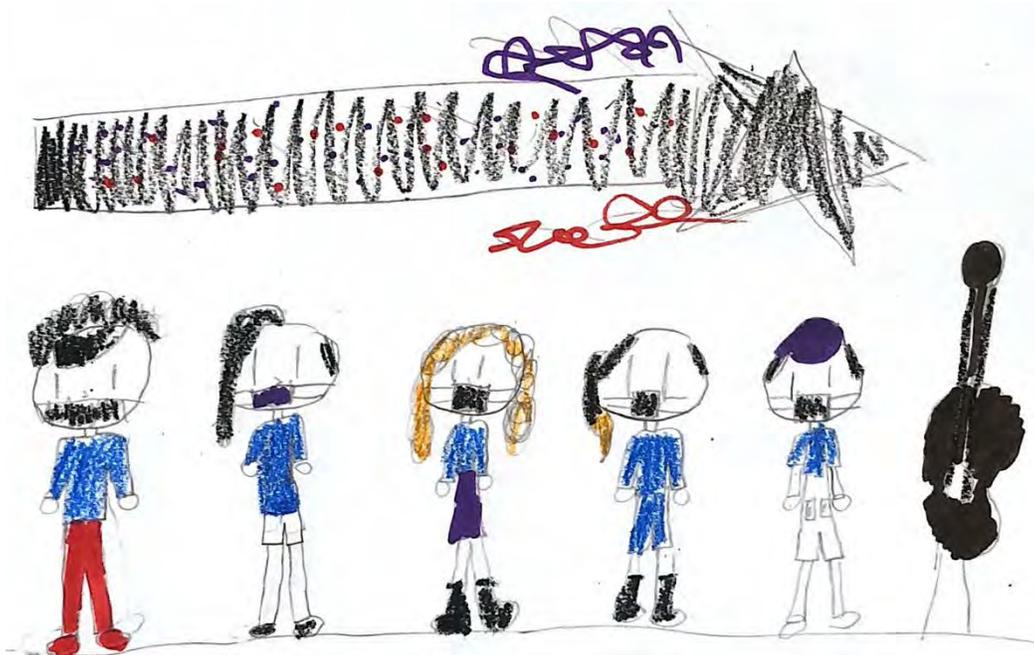

If you're gonna...

Feeling my way through the darkness  
Guided by a beating heart  
I can't tell where the journey will end  
But I know where to start

They tell me I'm too young to understand  
They say I'm caught up in a dream  
Well life will pass me by if I don't open up my eyes  
Well that's fine by me...

So wake me up when it's all over  
When I'm wiser and I'm older  
All this time I was finding myself, and I  
didn't know I was lost

If you're gonna play in Texas...

## Wonderwall (*Oasis*)

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do, about you now

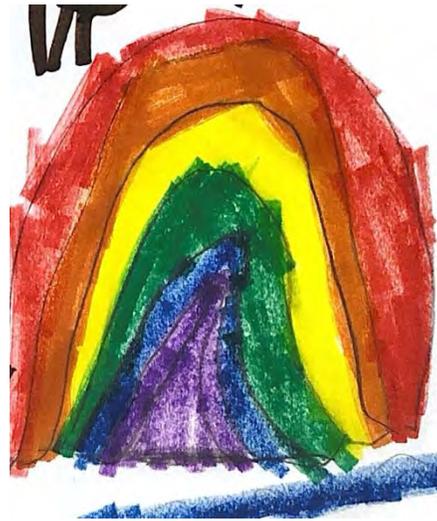

Backbeat, the word was on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody  
Feels the way I do about you now

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I  
Would like to say to you but I don't know how

Because maybe, you're gonna be the one that saves me  
And after all, you're my wonderwall

Today...

And all the roads...

**Build Me Up Buttercup** (*The Foundations*)

Why do you build me up (build me up) buttercup, baby  
 Just to let me down (let me down) and mess me around?  
 And then worst of all (worst of all) you never call, baby  
 When you say you will (say you will) but I love you still

I need you (I need you) more than anyone, darlin'  
 You know that I have from the start

So build me up (build me up) buttercup, don't break my heart

"I'll be over at ten," you told me time and again  
 But you're late, I wait around and then  
 I went to the door, I can't take any more  
 It's not you, you let me down again

Baby, baby, try to find (Hey, hey, hey)  
 A little time and I'll make you mine (Hey, hey, hey)  
 I'll be home  
 I'll be beside the phone waiting for you

Ooh ooh ooh, ooh ooh ooh

Why do you build me up...

You were my toy but I could be the boy you adore  
 If you'd just let me know  
 Although you're untrue, I'm attracted to you all the more  
 Why do I need you so?

Baby, baby...

why do you build...

**Free Fallin'** (*Tom Petty*)

She's a good girl, loves her mamma  
Loves Jesus and America, too  
She's a good girl, crazy bout Elvis  
Loves horses and her boyfriend too, yeah yeah

It's a long day, livin' in Reseda  
There's a free way running through the yard  
I'm a bad boy 'cause I don't even miss her  
I'm a bad boy for breaking her heart

And I'm free...Free fallin', fallin'  
And I'm free...Free fallin', fallin'

She's a good girl, loves her mamma  
Loves Jesus and America, too  
She's a good girl, crazy bout Elvis  
Loves horses and her boyfriend too, yeah yeah

And I'm free...

Shield us from hatred  
sorrow and pain...

**Summer of our Lives** (*Rick Recht*)

This is the best time  
This is the summer of our lives  
These are the memories we make  
These are the bonds we'll never break

Under the starlight  
we stay up talking every the night  
We sing so loud we loose our voices  
We laugh so hard we cry  
This is the time of our lives

Shalom Chaverim

(Sh-ah—low-M) (CH-ah—V-eh—Reem)

These are the songs we'll always sing  
We'll never forget these memories

Shalom Chaverim

This is the best time, the summer of our lives  
The summer of our lives

na,na,na

This is the best time  
This is the summer of our lives  
All the love and lessons learned  
While we watched the candles burn

Under the sunlight  
So many photographs of friends  
Falling in each others arms  
Wishing camp would never end

This is the time of our lives

Shalom Chaverim...

When we sing 'Shalom Rav'

We'll always remember

That circle of love that held us together

Shalom Chaverim...

## Tomorrow Today *(Rick Recht)*

Na, na na na...

Na, na na na....

Na, na na na....

Na, na na na....

Look how far we've come

Look at this camp we've built together as one

Every action brings us closer to the future we choose

We have vision, we can imagine

tomorrow today...

Tomorrow today, where will we be

In the coming years what change will we see

Tomorrow today our dreams can come true And every single step is up to me and you

When we give, we will be strong, we can believe Tomorrow today!

Na, na na na...

Na, na na na....

Na, na na na....

Na, na na na....

Our tree of life has its roots here today

The seeds we plant will bloom for generations

Generations to come might have the memories we have

We have vision, we can imagine

tomorrow today...

Tomorrow today, where will we be...

Na, na na na...

### With A Little Help From My Friends *(Beatles)*

What would you think if I sang out of tune?  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key

Oh, I get by with a little help from my friends  
Mm, I can fly with a little help from my friends  
Mm, gonna try with a little help from my friends

What do I do when my love is away?  
Does it worry you to be alone?  
How do I feel by the end of the day?  
Are you sad because you're on your own?

Oh, I get by...

Do you need anybody?  
I need somebody to love  
Could it be anybody?

I want somebody to love

Oh, I get by...

**Somewhere Over The Rainbow\_What a Wonderful World** (*Israel Kamakawiwo'ole*)

\*Original Lyrics by Louis Armstrong

Somewhere over the rainbow  
Way up high,  
There's a land that I dreamed of  
Once in a lullaby.

Somewhere over the rainbow  
Skies are blue,  
And the dreams that you dare to dream  
Really do come true.

Someday I'll wish upon a star  
And wake up where the clouds are far behind me.  
Where troubles melt like lemon drops  
High above the chimney tops  
That's where you'll find me!

I see trees of green and red roses too  
I'll watch them bloom just for me and you  
And I think to myself  
Oh, what a wonderful world  
I see skies of blue, clouds of white  
The brightness of day, the dark, say goodnight  
And I think to myself  
Oh, what a wonderful world

Somewhere...

**Under the Sea** (*The Little Mermaid – Samuel E. Wright*)

The seaweed is always greener ... In somebody else's lake  
 You dream about going up there ... But that is a big mistake  
 Just look at the world around you ... Right here on the ocean floor  
 Such wonderful things surround you ... What more is you lookin' for?

Under the sea (x2)

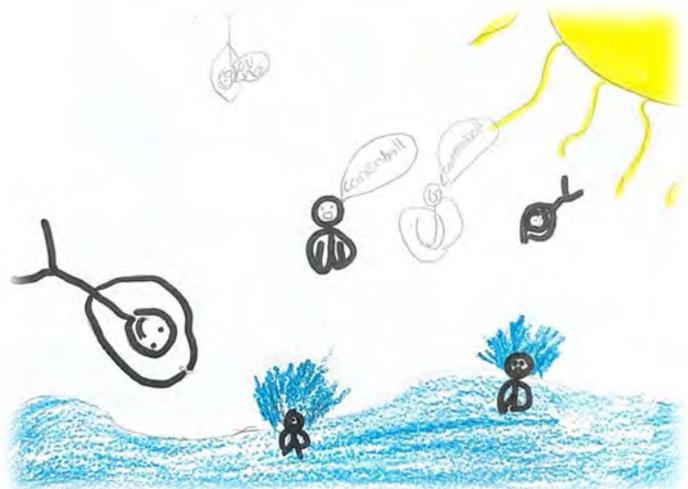

Darling it's better ... Down where it's wetter ... Take it from me  
 Up on the shore they work all day  
 Out in the sun they slave away  
 While we devotin' ... Full time to floatin' ... Under the sea

Down here all the fish is happy ... As off through the waves they roll  
 The fish on the land ain't happy ... They sad 'cause they in their bowl  
 But fish in the bowl is lucky ... They in for a worser fate  
 One day when the boss get hungry ... Guess who's gon' be on the plate?

Under the sea (x2)

Nobody beat us ... Fry us and eat us ... In fricassee  
 We what the land folks loves to cook  
 Under the sea we off the hook  
 We got no troubles ... Life is the bubbles ... Under the sea

The newt play the flute  
 The carp play the harp  
 The plaice play the bass  
 And they soundin' sharp  
 The bass play the brass  
 The chub play the tub  
 The fluke is the duke of soul

The ray he can play  
The lings on the strings  
The trout rockin' out  
The blackfish she sings  
The smelt and the sprat  
They know where it's at  
An' oh that blowfish blow

Yeah, under the sea (x2)  
When the sardine ... Begin the beguine ... It's music to me  
What do they got? A lot of sand  
We got a hot crustacean band

Each little snail here ... Know how to wail here

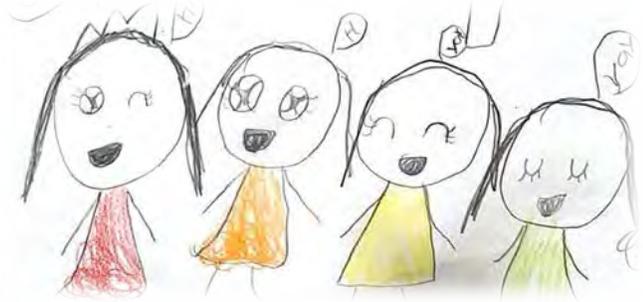

That's why it's hotter ... Under the water

Ya we in luck here ... Down in the muck here ... Under the sea

**Brown Eyed Girl** (*Van Morrison*)

Hey, where did we go?  
 Days when the rains came  
 Down in the hollow  
 Playin' a new game  
 Laughing and a running hey, hey  
 Skipping and a jumping  
 In the misty morning fog with  
 Our hearts a thumpin' and you  
 My brown-eyed girl ... You, my brown-eyed girl

Whatever happened  
 To Tuesday and so slow?  
 Going down the old mine  
 With a transistor radio  
 Standing in the sunlight laughing  
 Hiding behind a rainbow's wall  
 Slipping and sliding  
 All along the waterfall, with you  
 My brown-eyed girl  
 You, my brown-eyed girl ... Do you remember when we used to sing

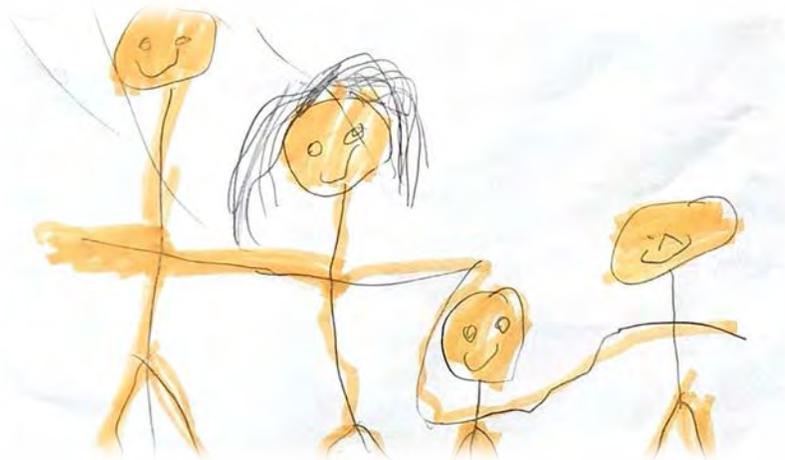

Sha la la la la la la la la la te da  
 Sha la la la la la la la la la te da, la te da

**Home** *(Phillip Phillips)*

Hold on, to me as we go  
As we roll down this unfamiliar road  
And although this wave is stringing us along  
Just know you're not alone  
'Cause I'm going to make this place your home

Settle down, it'll all be clear  
Don't pay no mind to the demons  
They fill you with fear  
The trouble it might drag you down  
If you get lost, you can always be found  
Just know you're not alone  
'Cause I'm going to make this place your home

Settle down...

## **Wavin' Flag** (*K'NAAN*)

Ooh...

Give me freedom, give me fire  
Give me reason, take me higher  
See the champions take the field now  
You define us, make us feel proud

In the streets our heads are liftin'  
As we lose our inhibition  
Celebration, it surrounds us  
Every nation, all around us

Saying forever young  
Singing songs underneath the sun  
Let's rejoice in the beautiful game  
And together at the end of the day, we all say

When I get older I will be stronger  
They'll call me freedom just like a wavin' flag (x2)  
So wave your flag, now wave your flag  
Now wave your flag (x2)

(repeat song)

**Wagon Wheel** (*Darius Rucker Cover*)

Heading down south to the land of the pines  
I'm thumbing my way into North Caroline  
Staring up the road and pray to God I see headlights  
I made it down the coast in seventeen hours  
Picking me a bouquet of dogwood flowers  
And I'm a-hopin' for Raleigh, I can see my baby tonight

So rock me momma like a wagon wheel  
Rock me momma any way you feel  
Hey, momma rock me  
Rock me momma like the wind and the rain  
Rock me momma like a south bound train  
Hey, momma rock me

I'm running from the cold up in New England  
I was born to be a fiddler in an old time string band  
My baby plays a guitar, I pick a banjo now

Oh, north country winters keep a-getting me down  
Lost my money playing poker so I had to leave town  
But I ain't turning back to living that old life no more

So rock me momma... (x2)

**Magnificence (Hallelujah Medley)** *(Eric Hunker, Happy Hoffman Mashup)*

Part I: Hallelu - jah Hallelu - jah

Part II: There is so much magnificence in the ocean

The waves are coming in the waves are coming in

Part II: As we go on, we remember all the times we had together

And as our lives change come whatever

We will still be friends forever

**Don't Stop Believin'** (*Journey*)

Just a small-town girl .... Livin' in a lonely world  
She took the midnight train goin' anywhere

Just a city boy ... Born and raised in South Detroit  
He took the midnight train goin' anywhere

A singer in a smokey room ... The smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on, and on, and on

Strangers waiting ... Up and down the boulevard  
Their shadows searching in the night

Streetlights people ... Livin' just to find emotion  
Hidin' somewhere in the night

Workin' hard to get my fill ... Everybody wants a thrill  
Payin' anything to roll the dice just one more time

Some will win, some will lose ... Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on, and on, and on

Strangers...

Don't stop believin'  
Hold on to that feelin'  
Streetlight people

**Hakuna Matata** (*The Lion King – Jimmy Cliff, Lebo M.*)

Hakuna Matata!

What a wonderful phrase

Hakuna Matata!

Ain't no passing craze

It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata!

Hakuna matata, Hakuna matata, Hakuna matata (x2)

In the jungle                      (*In the jungle*)

The mighty jungle                (*the mighty jungle*)

The lion sleeps tonight!

(repeat x2)

A-weema-weh, a-weema-weh, a-weema-weh, a-weema-weh (x2)

Hakuna Matata!

What a wonderful phrase.

Hakuna Matata!

Ain't no passing craze

It means no worries

For the rest of your days

It's our problem-free philosophy

Hakuna Matata!

**Leaving on a Jet Plane** (*John Denver*)

All my bags are packed, I'm ready to go  
 I'm standin' here outside your door  
 I hate to wake you up to say goodbye  
 But the dawn is breakin', It's early morn  
 The taxi's waitin', he's blowin' his horn  
 Already I'm so lonesome I could die

So kiss me and smile for me  
 Tell me that you'll wait for me  
 Hold me like you'll never let me go  
 'Cause I'm leavin' on a jet plane  
 Don't know when I'll be back again  
 Oh babe, I hate to go

There's so many times I've let you down  
 So many times I've played around  
 I tell you now, they don't mean a thing  
 Every place I go, I'll think of you  
 Every song I sing, I'll sing for you  
 When I come back, I'll bring your wedding ring  
 So kiss me...

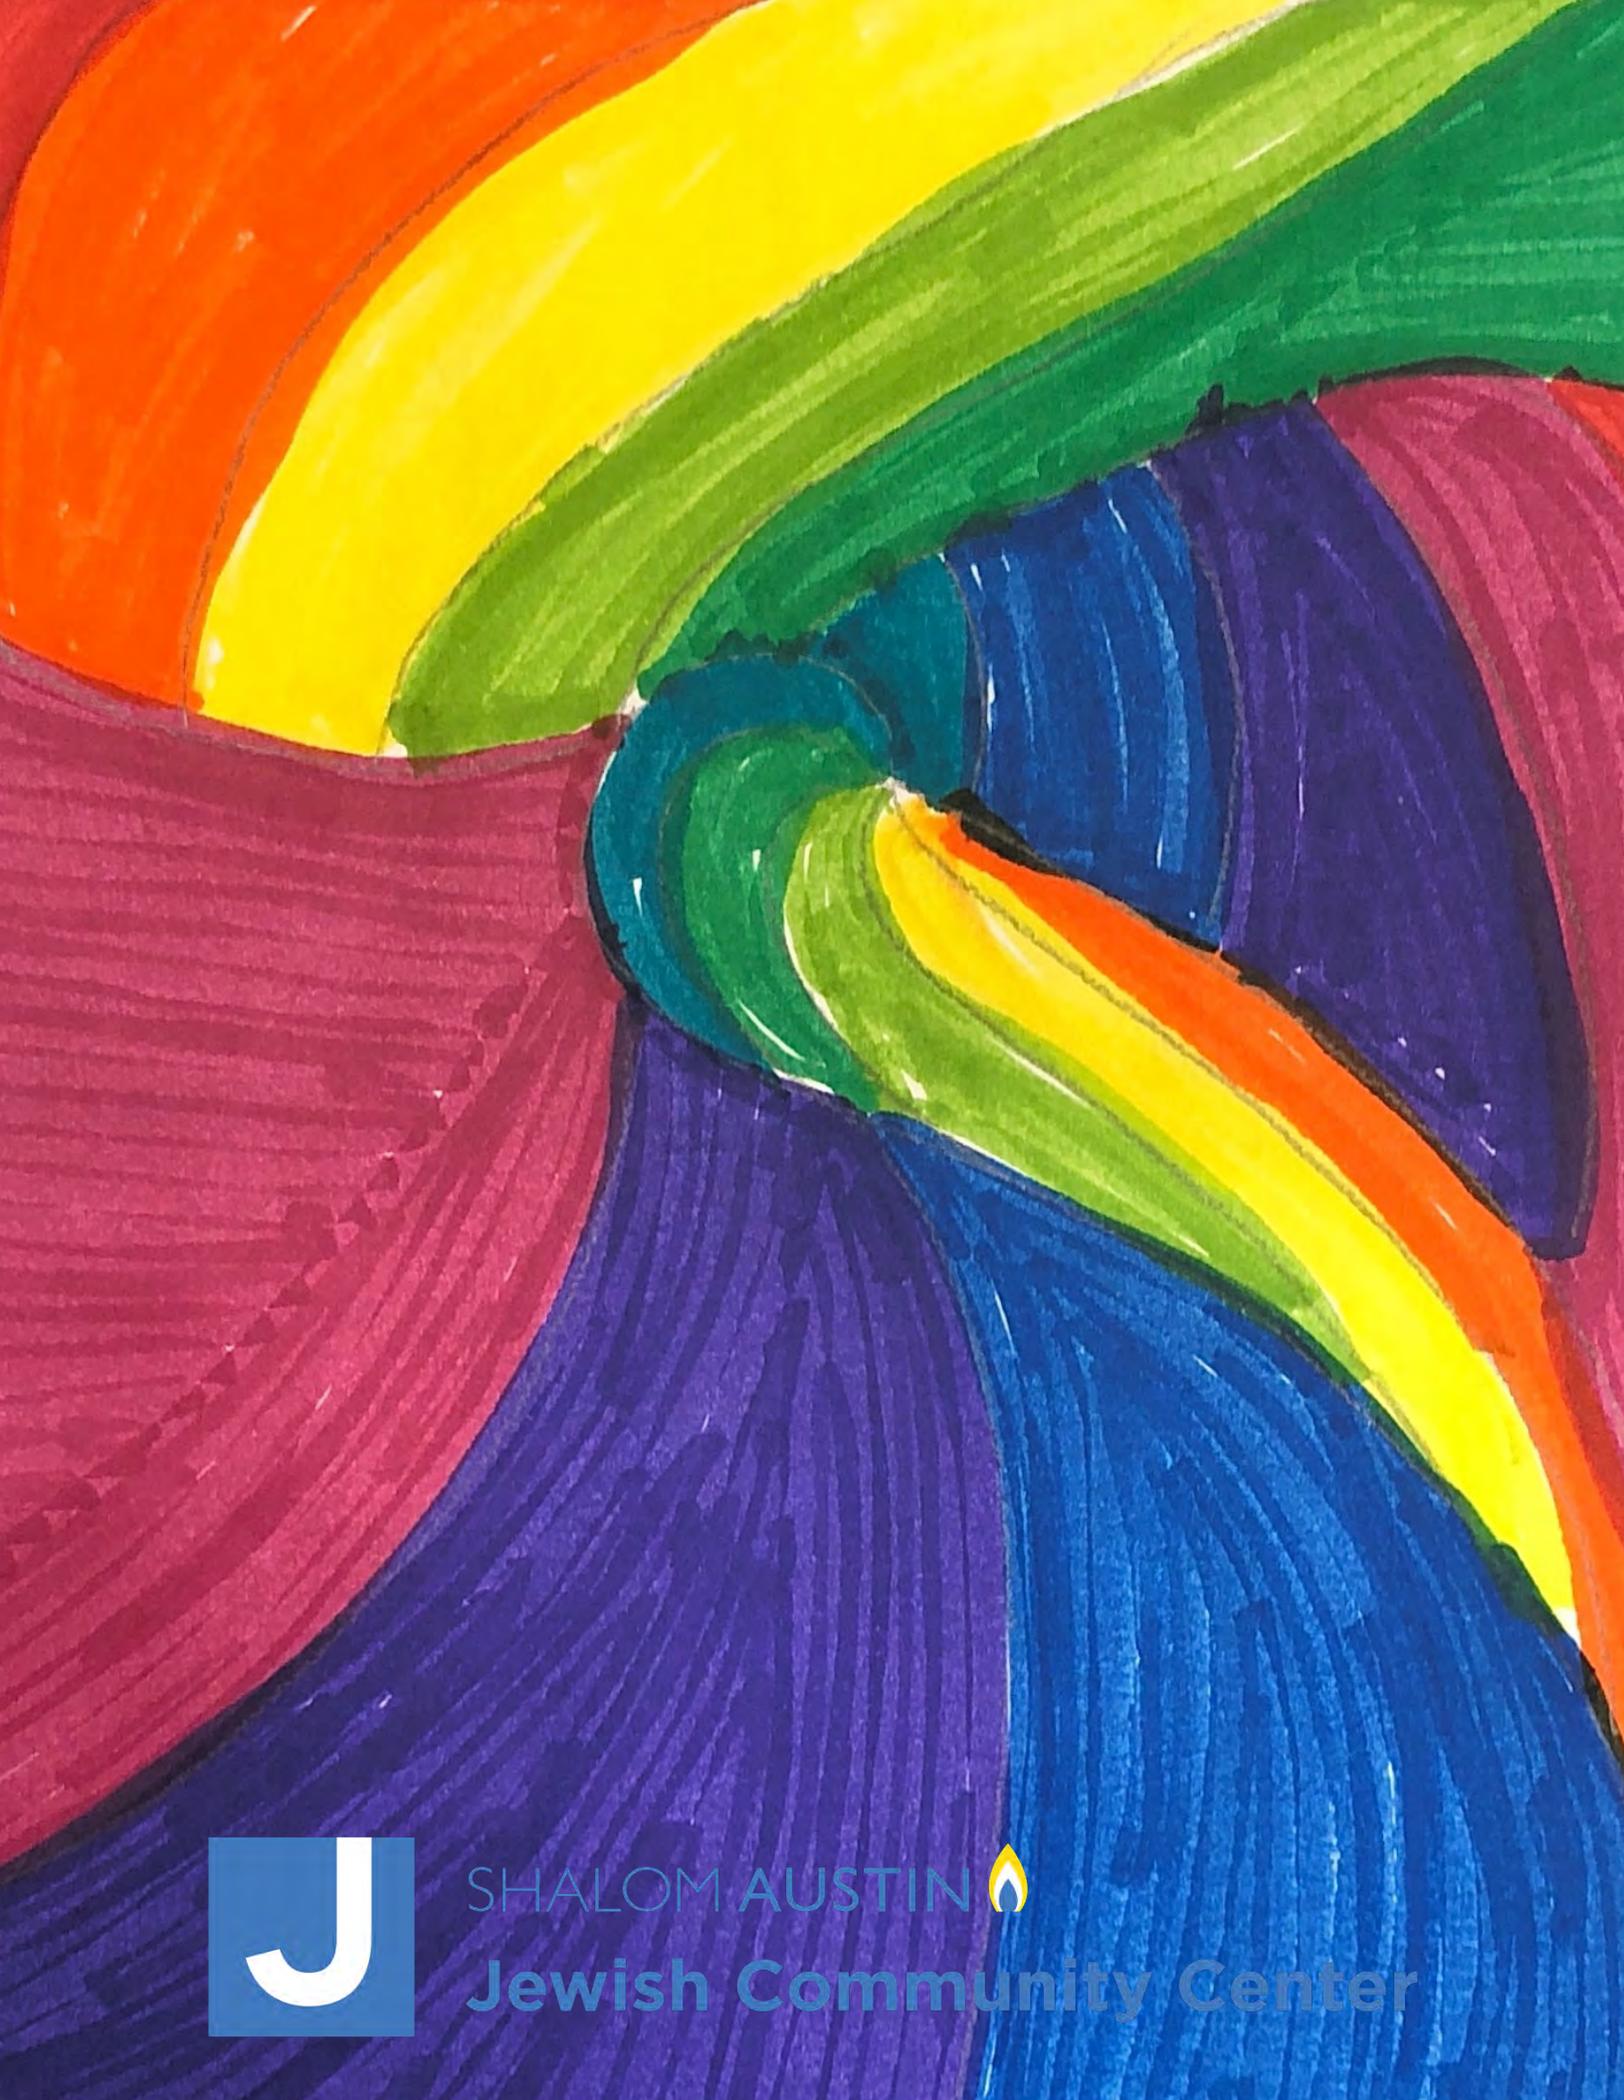

Now the time has come to leave you  
 One more time, let me kiss you  
 Then close your eyes and I'll be on my way  
 Dream about the days to come  
 When I won't have to leave alone  
 About the times, I won't have to say  
 So kiss me...
